**From the North via A12** Follow the A12 past Colchester to Junction 25. Turn off here and follow the signs to Stansted (A120). Once you have crossed over the A12 and are on the A120 to Stansted, keep on this road, past Poplar Nurseries on your left. Salmon's Lane is the third road on the right. Turn up Salmon's Lane and take the second turn into the farm (you turn a sharp right). Follow the track around to the left. You should see the akka van on your right.

**From the South via A12** Follow the A12 past Witham to Junction 25. Turn off here and follow the signs to Stansted (A120). Salmon's Lane is fourth on the left after this junction. Turn up Salmon's Lane and take the second turn into the farm (you turn a sharp right). Follow the track around to the left. You should see the akka van on your right.

**From the North or South via M11** Take the M11 to the Stansted junction and follow signs to Colchester (A120). When you arrive at the Braintree roundabout keep following the signs to Colchester (left at the roundabout) then turn right at the next, still following the signs. After a few miles you will pass Coggeshall. The single carriageway will briefly split into dual with a speed restriction across a large staggered junction. After passing the Kings Arms on your left you will see a parking layby, take the next left, Salmon's Lane. Turn up Salmon's Lane and take the second turn into the farm (you turn a sharp right). Follow the track around to the left. You should see the akka van on your right.
